In our capacity as Independent Auditor of Gaz Du Cameroon (GDC) and in accordance with your request, we have prepared this attestation relating to the information contained in the attached declaration to be submitted by Gaz Du Cameroun, S.A., in view of the Financial Year 2021 Extractive Industries Transparency Initiative (EITI) reconciliation in Cameroon prepared in the context of compliance with the the EITI conciliator in Cameroon.

This information was prepared under the responsibility of the management of Gaz du Cameroun, S.A., based on the accounting records used for the preparation of the annual audited financial statements for the Financial Year ended December 31, 2021.

The methods and main assumptions used to prepare this information are detailed in the attached document. Our role is to report on the reconciliation of this information with the accounting records of Gaz du Cameroun, S.A.

In the context of our role as Independent auditor, we have audited the International Financial Reporting Standards (IFRS) financial statements prepared by the management of Gaz du Cameroun, S.A. Our audit was conducted in accordance with professional standards applicable in Cameroon and in accordance with International Standards on Auditing. As requested, our audit procedures also included the additional procedures identified in your instructions and was planned and performed for the purpose of forming a clearance to the Group Auditors on the annual IFRS financial statements taken as a whole and not on any individual component of the accounts used to calculate the information.

Accordingly, our audit tests and samples were not carried out with this objective and we do not express any opinion on any components of the accounts taken individually.

Furthermore, we have not performed any procedures to identify events that may have occurred after the date of our final draft report on the annual IFRS financial statements of Gaz du Cameroun, S.A., which was issued in November 2022 with no significant adjustments.

We draw attention to the fact that group consolidated financial statements have not yet been adopted by the Board of Directors of the Company nor approved by the Shareholders as at the date of this report.

Our engagement, which constitutes neither an audit nor a review, was performed in accordance with the International Standard on Assurance Engagements (ISAE) 3000 "Assurance Engagements other than the Audits or Reviews of Historical Financial Information", issued by the International Auditing and Assurance Standards Board. That Standard requires us to plan and perform our engagement to obtain limited assurance about whether the declaration is free from material misstatement.

On the basis of our work, we have no matters to report on the information contained in the declaration which is the subject of this attestation with the audited IFRS financial statements for the Financial Year ended December 31, 2021.

This attestation has been prepared solely for your attention within the context described above and may not be used, distributed or referred to for any other purpose.

Our work should not be taken to supplant any additional inquiries or procedures that should be undertaken by a third-party recipient of this attestation including the parties to the EITI conciliator and we make no representations regarding the sufficiency of the procedures we performed for the purpose of third parties.

In our capacity as Independent Auditor of **Gaz du Cameroun, S.A.**, our responsibility towards **Gaz du Cameroun, S.A.**, and the Management of **Gaz du Cameroun, S.A.**, is defined by International Standards on Auditing and we do not accept any extension of our responsibility beyond that set out in International Standards on Auditing.
